

Bottineau Good Samaritan Center – COVID 19 Management

- The center is closed to all visitors unless there is a very compelling reason to visit.
- All residents are being screened every day for symptoms.
- All staff are being screened when they come to work.
- Deliveries are being managed so delivery personnel are not entering the center.
- Environment is being cleaned/disinfected multiple times per day.
- Families and friends may be set up to visit residents via interactive video. Please contact Hunter Bertsch to get this arranged at hbertsch@good-sam.com or 701-228-3796.
- Send a note to a resident. This can be accessed by; go to <https://www.good-sam.com/locations/bottineau> on the left side of the page click on “send a note” and fill in the form on that page.
- We are working on setting up an email list for family. If you would like to be on this list please send us your email to mleupp@good-sam.com
- Specific concern about a resident at the Bottineau Good Samaritan Center please contact us at 701-228-3796.
